

HCC By Carmen's Loading Dock Directions

The main entrance to the loading dock for the Hamilton Convention Centre is located near the following address (This address will get you onto Macnab Street South).

10 MacNab St S, Hamilton, ON L8P 4Y3

If you google Hamilton Convention Centre, you'll be given the "1 Summers lane" address which is the FRONT entrance of the venue, the loading dock is on the backside of the venue.

The loading dock doesn't have an address so it's the best we can do to get you to the right spot.

*Please note that MacNab Street South is a little one way road and if you miss the entrance to the loading dock, you'll have to drive up and around the block to get back to the entrance again.

Main Entrance Door

As you drive down MacNab Street South, you'll notice a rollup door with a red/green light on your **LEFT**, that's the entrance to the Hamilton Convention Centre. The door should open as you approach it slowly. There is a loading dock manager onsite to guide vendors in the right direction if needed.

We pay for a 3 hour window with a manager to make sure that you are able to unload quickly and efficiently. If for some reason the door does not open, there is a security door on the left side with a doorbell.

Once Inside The Loading Dock Area

Once inside, you'll be able to park into one of the many offloading spots, grab a cart and bring your items to your booth space (**Green Arrows on Map Below**). Once you've unloaded your items, we ask that you return the cart to the cart area and remove your vehicle from the loading dock and take it to the designated parking area. You will not be able to exit through the MacNab entrance, you'll need to use the King Street West exit (**Blue Arrows on Map Below**).

*When using the King Street exit, you'll legally have to make a left turn because it's a one way street. The parking directions pdf indicate that as well.

* If you have any questions, please do not hesitate to contact Tiffany@iheartbeer.ca
